THE CORPORATION OF THE TOWN OF AJAX

BY-LAW NUMBER 63-2021

A By-law to establish and require payment of various general fees and charges.

WHEREAS the Council of The Corporation of the Town of Ajax (the "Town") may pass bylaws establishing and requiring the payment of fees for information, services, activities and use of Town property;

AND WHEREAS by-laws imposing such fees and charges are authorized by section 391 of the *Municipal Act 2001*, S.O. 2001, c 25, as amended;

AND WHEREAS by-laws establishing a tariff of fees for the processing of applications made in respect of planning matters are authorized by Section 69(1) of the *Planning Act*, R.S.O.:

NOW THEREFORE the Council of The Corporation of the Town of Ajax enacts as follows:

- 1. In this by-law:
 - (a) "Town" means The Corporation of the Town of Ajax in the Regional Municipality of Durham;
 - (b) "Chief Administrative Officer" means Chief Administrative Officer for the Town or their designate;
 - (c) "Director" means any of the Directors, or their designate, of Operations and Environmental Services, Planning and Development Services, Recreation, Culture & Community Development, Finance, and Legislative and Information Services;
 - (d) "Fire Chief" means the person appointed by Council to act as Fire Chief for the Town;
 - (e) "Fire Department" means the Town of Ajax Fire & Emergency Services;
 - (f) "Administrative charge" means a 20% fee in addition to the total of any invoice for the administration costs where the Town has had to do work that the owner of property has been found to be in default of doing and costs have had to be added to the tax rolls for any Property Standards Order, Municipal Work Order or Notice issued pursuant to any of the Town's By-laws.
 - (g) "Owner" means a person, firm or corporation who owns or has control over any portion of a property in respect of which services and activities were provided or done.
- 2. Council hereby establishes the fees and charges as set out in the schedules attached to this By-law, and such schedules shall be deemed to be an integral part of this by-law.
- 3. No request by any person for any information, services, activity or use of Town property described in the attached Schedules will be processed or provided by the Chief Administrative Officer, Director, or Fire Chief or their designate unless and until the person requesting the information, service, activity or use of Town property has paid the applicable fee in the prescribed amount as set out in the attached schedules to this by-law.
- 4. Notwithstanding section 3 of this by-law, with respect to services set out in the schedules provided or done by the Fire Department:
 - a. The Owner of a property to which services set out in the fee schedules were provided or done by the Fire Department, regardless of whether requested by the Owner or an agent of the Owner or not, shall pay the fee imposed for such service within ten (10) days of the mailing of an invoice.
 - b. If a property Owner who is charged a fee under this by-law fails to pay the fee within the prescribed time, the Corporation may add the fee, including interest, to the tax roll for any real property registered in the name of the owner and collect the fee, including interest, in the same manner as municipal taxes.
 - c. Where there is more than one Owner, their liability for payment shall be joint and several.

- 5. Council hereby delegates to the Chief Administrative Officer, Directors, Fire Chief or their designate(s), the authority to waive or reduce any of the fees or charges specified within this by-law, provided that one or more of the following conditions apply:
 - a. The party subject to the fee or charge is the Federal Government, Provincial Government, Regional Municipality, any other municipality or public agency, board or commission, or public corporation formed by any of them;
 - b. The fee or charge is in relation to an application, process or action initiated at the request of the Town;
 - c. In accordance with practices established by Department Heads for the regular conduct of their business;
 - d. In the opinion of the Chief Administrative Officer, Director, Fire Chief or their designate as the case may be, extenuating or compassionate circumstances warrant the waiver or reduction of the fee.
- 6. The fees as listed in the schedules attached to this By-law will be subject to Harmonized Sales Tax (H.S.T.) where applicable.
- 7. The Town may add an administrative charge to invoices when work has been completed by the Town or its' agents.
- 8. Should any part of this by-law, including any part of the schedules, be determined by a Court of competent jurisdiction to be invalid or of no force and effect, it is the stated intention of Council that such invalid part of the By-law shall be severable and that the remainder of this by-law including the remainder of the schedules, as applicable, shall continue to operate and to be in force and effect.
- 9. In any instance where a fee established in this by-law conflicts with another Town by-law which establishes a different fee for the same item, this by-law shall prevail.
- 10. This by-law shall be known as the "Fees and Charges By-law".
- 11. By-law 40-2020 is hereby repealed.
- 12. This By-law shall come into force and effect on January 1, 2022, and all fees shall take effect at that time unless otherwise stated in the schedules.
