3. CODE OF CONDUCT

3.1. The Chief Building Official and inspectors appointed under Section 3 of the Act shall be governed by the Code of Conduct as set out in Schedule “C” to this By-law, with respect to exercising powers and performing duties under the Act.

4. REQUIREMENTS FOR PERMIT APPLICATIONS

4.1. General Requirements

4.1.1. Every permit application must meet the requirements of this section and shall:

4.1.1.1. be made by an applicant;
4.1.1.2. be made in writing to the Chief Building Official on forms prescribed by the Province of Ontario or when no form is prescribed, on a form prescribed by the Chief Building Official; and
4.1.1.3. be accompanied by the required fees calculated in accordance with Schedule “A”.

4.1.2. To be considered a complete application, every permit application shall be accompanied by the approval documents issued by the agencies responsible for the applicable laws listed in the Building Code, where those agencies issued approval documents and the law applies to the construction or demolition being proposed.
4.1.3. An application for a permit may be refused by the Chief Building Official where it is not a complete application.

4.1.4. The Chief Building Official may, as they deem appropriate, provide prescribed forms in an electronic format and may allow for the electronic submission of completed permit application forms.

4.1.5. Notwithstanding Subsection 4.1.4, completed forms generated electronically shall be accepted subject to the endorsement by the applicant.

4.2. Class of Permit

Applications for Permits to Construct

4.2.1. Every application for a permit to construct a building shall:

   4.2.1.1. identify and describe in detail the work to be done and the existing and proposed use and occupancy of the building, or part thereof, for which the building permit application is made;

   4.2.1.2. be accompanied by the plans, specifications, documents, forms and other information prescribed in Part 4 and Schedule “B” of this By-law; and be accompanied by acceptable proof of corporate identity and property ownership, unless such proof is determined by the Chief Building Official to be unnecessary.

Applications for Permits to Demolish

4.2.2. Every application for a permit to demolish a building shall:

   4.2.2.1. identify and describe in detail the work to be done and the existing use and occupancy of the building, or part thereof, for which the application for a permit to demolish is made, and the proposed use and occupancy of that part of the building, if any, that will remain upon completion;

   4.2.2.2. be accompanied by the plans, specifications, documents, forms and other information prescribed in Part 4 and Schedule “B” of this By-law; and

   4.2.2.3. be accompanied by proof satisfactory to the Chief Building Official that arrangements have been made with the proper authorities for the termination and capping of all the water, sewer, gas, electric, telephone or other utilities and services.

Applications for Permits for a Stage of Construction (Partial Permit)

4.2.3. In addition to the requirements of Subsection 4.2.1., every application for a partial permit shall:

   4.2.3.1. require a permit application for the entire project; and

   4.2.3.2. be accompanied by plans, specifications, documents, forms and other information covering that part of the work for which application for a partial permit is made, together with such information pertaining to the remainder of the work as may be required by the Chief Building Official.

4.2.4. The Chief Building Official may issue a partial permit when it is determined appropriate to expedite substantial construction before a permit for the entire building is available and where the relevant provisions of this By-law and the Act are met.
4.2.4.1. When determining whether to issue a partial permit, the Chief Building Official shall have regard for the likelihood of subsequent approvals being available in a timely fashion such that a project is not interrupted and exposed to potential damage from the elements while awaiting subsequent approvals.

4.2.5. The Chief Building Official shall not, by reason of the issuance of a partial permit pursuant to this By-law, be under any obligation to grant any additional permits.

Applications for Conditional Permits

4.2.6. In addition to the requirements of Subsection 4.2.1., every application for a conditional permit shall:
   4.2.6.1. include a written statement from the applicant explaining the reasons why the applicant believes that unreasonable delays in construction would occur if a conditional permit is not granted;
   4.2.6.2. include a written acknowledgement from the applicant of the necessary approvals which must be obtained in respect of the proposed building in order for the permit to be issued and the time in which such approvals will be obtained; and
   4.2.6.3. a written agreement, in the form provided by the Chief Building Official, executed by the applicant, the owner and/or such other necessary persons the Chief Building Official determines for the purposes set out in Clause 8(3)(c) of the Act. The Chief Building Official may, at their discretion, issue a conditional permit where unreasonable delays are anticipated in obtaining all necessary approvals and where the relevant provisions of this By-law and the Act are met.

Applications for Permits for Change of Use

4.2.7. Every application for a permit for a change of use shall;
   4.2.7.1. identify and describe in detail the existing and proposed use and occupancy of the building, or part thereof, for which the application for a permit is made; and
   4.2.7.2. be accompanied by the plans, specifications, documents, forms and other information prescribed in Part 4 and Schedule “B” of this By-law.

Application for Permits for Site Servicing

4.2.8. Every application for a permit for site servicing shall;
   4.2.8.1. be accompanied by the plans, specifications, documents, forms and other information prescribed in Part 4 and Schedule “B” of this By-law;

Application for Permits for Signs

4.2.9. Every application for a permit for signs shall;
   4.2.9.1. be accompanied by the plans, specifications, documents, forms and other information prescribed in Part 4 and Schedule “B” of this By-law;

5. REQUIREMENTS FOR PLANS AND SPECIFICATIONS

5.1. As part of, and in addition to the requirements the application for a permit, every applicant shall submit to the Chief Building Official the following:
   5.1.1. Sufficient plans, specifications, documents, forms and such other information as may be deemed necessary by the Chief Building Official to determine whether
the proposed construction, demolition, or change of use conforms to the Act, the Building Code, and any other applicable law;

5.1.2. Where a site plan is required to satisfy Subsection 5.1.1, the site plan shall reference a current plan of survey certified by a registered Ontario Land Surveyor and shall include:

5.1.2.1. lot size and dimensions of the property;
5.1.2.2. setbacks from existing and proposed buildings to property boundaries and to each other;
5.1.2.3. existing and finished ground levels or grades; and
5.1.2.4. existing rights of way, easements and municipal services; and
5.1.2.5. a copy of a current plan of survey, unless the Chief Building Official waives this requirement.

5.1.3. Plans, specifications and other documents submitted by an applicant shall:

5.1.3.1. be fully coordinated among design disciplines and intended for construction, demolition or change of use;
5.1.3.2. be fully dimensioned and drawn to a suitable scale that clearly depicts the proposed construction, demolition or change of use;
5.1.3.3. be submitted on paper or other suitable and durable material; and
5.1.3.4. contain information and text that is clear and legible.

5.2. Unless otherwise deemed necessary by the Chief Building Official, every application shall be accompanied by two sets of plans, specifications, forms, documents and other information required to facilitate the administration and enforcement of the Building Code.

5.3. On the completion of the foundation for a detached, semi-detached, triplex, or townhouse dwelling, the Chief Building Official may require submission of a survey prepared by an Ontario Land Surveyor indicating the location of the building to all property lines, and elevations of the bottom and top of the foundation wall, including the garage cut, prior to a framing inspection being undertaken.

5.4. On completion of the construction of a building, the Chief Building Official may require the applicant to submit a set of as constructed plans, including a plan of survey showing the location of the building.

5.5. Plans and specifications submitted in accordance with this By-law or otherwise required by the Act become the property of the Corporation and will be disposed of or retained in accordance with relevant legislation or by-law.

6. AUTHORIZATION OF ALTERNATIVE SOLUTIONS

6.1. Where approval for an alternative solution under the Building Code is proposed in either the application for a permit, or in a material change to a plan, specification, document or other information on the basis of which a permit was issued, the applicant shall submit:

6.1.1. an application on a form prescribed by the Chief Building Official;
6.1.2. supporting documentation demonstrating that the proposed alternative solution will provide the level of performance required by the Building Code; and
6.1.3. payment of the required fee prescribed by Schedule “A”

6.2. The Chief Building Official or Registered Code Agency may accept or reject any proposed alternative solutions and/or may impose conditions or limitations on their use.
6.3. Alternative solutions which are accepted under this part shall be applicable only to the location as described in the application, and are not transferable to any other building permit.

7. INCOMPLETE PERMIT APPLICATIONS

7.1. An application shall be deemed not to be complete according to the building code where any of the applicable requirements of Part 3 to this By-law have not been complied with.

7.2. Except as provided in Section 7.3. of this By-law, an application deemed to be incomplete shall not be accepted by the Chief Building Official.

7.3. The Chief Building Official may accept an incomplete application where the applicant acknowledges, in writing, that the application is incomplete and waives the time period prescribed in the Building Code within which a permit must be issued or refused.

7.4. Where an applicant declares that an application is complete in all respects, but the application is determined by the Chief Building Official to be incomplete or does not comply with the Act, the Building Code, this By-law or applicable law, an additional fee as prescribed in Schedule ‘B’ may be applied to the re-examination of documents required to be submitted by the applicant.

8. ABANDONED PERMIT APPLICATIONS

8.1. An application for a permit shall be deemed to have been abandoned by the applicant where;
8.1.1. the application is incomplete and remains incomplete six months after it was submitted;
8.1.2. six months have elapsed after the applicant was notified that the proposed building, construction, demolition or change of use will not comply with the Act or the Building Code or will contravene any other applicable law; or
8.1.3. the application is substantially complete and six months have elapsed from the date upon which an applicant was notified that a permit is available to be issued.

8.2. When deemed to be abandoned or withdrawn an application may be closed at the discretion of the Chief Building Official.

9. REVISIONS TO PERMITS

9.1. After the issuance of a permit under the Act, the applicant shall give notice to the Chief Building Official in writing of any change to a plan, specification, document or other information upon which a permit was issued, together with the details of such change, which change shall not be made without the prior written authorization of the Chief Building Official.

9.2. Application for authorization of any substantial change shall constitute a revised submission.

10. TRANSFER OF PERMITS

10.1. If the owner of the land changes after a permit has been issued, the permit may be transferred to the new owner (the “transferee”) of the land where an application is filed with the Town in writing.
10.2. Every application for the transfer of a permit shall,

10.2.1. include a written statement from the current permit holder authorizing the transfer of the permit to the transferee;
10.2.2. include proof of ownership of the land by the transferee satisfactory to the Chief Building Official;
10.2.3. confirm that the work to be done, and the existing and proposed use and occupancy of the building or part thereof, for which the application for the transfer of the permit is made, is the same as that identified and described on the application of the permit;
10.2.4. state the name, address, and telephone number of the proposed transferee;
10.2.5. state the name, address, and telephone number of the proposed designer, architect and/or professional engineer, and their building code qualifications, where they are different from those identified in the application for the permit, and a written confirmation from those individuals, that they have been retained to undertake general review of the construction or demolition where required under the Building Code;
10.2.6. include, where the proposed transferee is a builder as defined in the Ontario New Home Warranties Plan Act, the proposed transferee’s registration number under that Act;
10.2.7. be accompanied by the appropriate fee in accordance with Schedule A; and,
10.2.8. be signed by the proposed transferee who shall certify as to the truth of the contents of the application.

10.3. Upon the issuance of transfer of a permit to the transferee, the transferee shall be deemed to be the permit holder and the original permit holder shall have no further rights or obligations under the permit, save and except for any obligations set out in any agreements entered into for the purposes of Clause 8.(3)(c) of the Act.

11. REVOCA TION

11.1. Prior to revoking a permit, the Chief Building Official shall give written notice of intention to revoke the permit to the permit holder to the permit holder’s address shown on the application or to such other address as that individual has provided to the Town for that purpose.

11.2. Following the issuance of the notice described in 11.1, the permit may be revoked immediately or after a period prescribed by the Chief Building Official, and all submitted plans, specifications, documents and other information may be disposed of or, upon written request, returned to the permit holder.

11.3. The notice under 11.1 shall be given either personally or by registered mail, and where notice is by registered mail, it shall be deemed to have been given on the fifth day after the day of mailing.

12. FEES AND REFUND OF FEES

12.1. General

12.1.1. A fee is to be paid as part of a permit application, calculated in accordance with Schedule ‘A’ to this By-law and the fee shall be due and payable, in full, upon the submission of the application for a permit.

12.1.2. The minimum fee payable on any application shall be as indicated in Item 1, Table 1 of Schedule ‘A’ to this By-law.
12.1.3. Where the amount of a fee to be paid, as part of a permit application, is to be based upon the type of building permit, floor area and/or value of the proposed construction, the Chief Building Official, or a person designated by the Chief Building Official, shall determine the amount of the fee and that determination shall be final.

12.1.4. The Chief Building Official shall not issue a permit until fees required by this By-law have been paid in full by the applicant.

12.2. **Re-Examination Fee and Alternative Solution Fee**

12.2.1. In addition to the fees paid at the time of building permit application, where an applicant makes a revised submission for a proposed building design after examination of a previous submission has already been undertaken, a re-examination fee may apply as set out in Schedule ‘A’ to this By-law.

12.2.2. Where an applicant makes a revised submission for one or more changes to the as-constructed design of a building or part of a building for which a permit has already been issued, a re-examination fee may apply as set out in Schedule ‘A’ to this By-law.

12.2.3. Where an applicant submits an alternative solution to a material, system or design, an examination fee shall apply as set out in Schedule ‘A’ to this By-law.

12.3. **Permit Surcharge**

12.3.1. A permit surcharge, in addition to the regular calculated fee, shall be charged in accordance with Schedule ‘A’ to this By-law, to offset additional investigative and administrative costs, where any person has commenced construction, demolition or changes to the use of a building prior to having submitted an application for a permit, or before having received a permit, in addition to any other penalty under the Act, Building Code, or this By-law.

12.3.2. Payment of these fees does not relieve any person or corporation from complying with the Act, the Building Code or any applicable law.

12.4. **Fee Refunds**

12.4.1. Upon written request by the applicant, or permit holder, the Chief Building Official may refund any unearned permit fees, where,

12.4.1.1. an applicant withdraws, in writing, an application for a permit;

12.4.1.2. an application is deemed to have been abandoned in accordance with Part 8 of this By-law;

12.4.1.3. the Chief Building Official refuses to issue a permit for which an application has been made; or,

12.4.1.4. the Chief Building Official revokes a permit after it has been issued.

12.4.2. The permit fee refund payable shall be proportionate to the functions undertaken by the Town in accordance with the following:

12.4.2.1. 80% if administrative functions only have been performed;

12.4.2.2. 70% if administrative functions and internal department review (ie. zoning, site plan control, grading, etc.) have been performed;

12.4.2.3. 50% if administrative functions, internal department review (ie. zoning, site plan control, grading, etc.), and all or part of the Building Code review have been performed; and,

12.4.2.4. 40% if all administrative functions and reviews have been completed and the building permit has been issued or is available to be issued.

12.4.3. No refund is available for:
12.4.3.1. where a flat fee is charged;
12.4.3.2. where the amount calculated in accordance with Schedule ‘A’ to this By-law is the minimum fee, or less than the minimum fee;
12.4.3.3. where a permit is revoked, except where a permit is issued in error, or the applicant requests revocation no more than six months after the permit is issued, or;
12.4.3.4. applications or permits where construction or demolition has commenced.

12.4.4. Any refund shall be paid to the permit holder, unless that person directs the Chief Building Official, in writing, and prior to the release of the refund, that it be refunded to another person.

12.4.5. Pursuant to Part 14 of this By-law, 20% of the applicable permit fee paid shall be refunded where an application was made using a Registered Code Agency appointed under a service agreement with the Chief Building Official, those services are fully paid for by the applicant and have been completed in accordance with the Building Code, and the final certificate as defined by the Act has been submitted to the Chief Building Official.

13. NOTICES FOR INSPECTIONS

13.1. Inspection notices required by the Building Code and this By-law shall be made in writing, facsimile, e-mail or by telephone.

13.2. Inspection notices are required a minimum of two business days prior to the stages of construction specified therein and shall be given in accordance with the requirements of Subsection 1.3.5. of Division C of the Building Code.

13.3. The person to whom the permit has been issued shall notify the Chief Building Official or Registered Code Agency where one is appointed, of each stage of construction for which a notice is prescribed by the Building Code.

13.4. Notwithstanding Part 6 of this By-law, the person to whom the permit has been issued shall notify the Chief Building Official of the date of completion of the building or demolition work no more than two days after that date.

13.5. In addition to the notices prescribed in Article 1.3.5.1 of Division C of the Building Code, the person to whom a permit has been issued shall give the Chief Building Official notice of the readiness for inspection for the following stages of construction, where applicable:

13.5.1. commencement of construction of the building
13.5.2. commencement of construction of:
   13.5.2.1. masonry fireplaces and masonry chimneys,
   13.5.2.2. factory-built fireplaces and allied chimneys, or
   13.5.2.3. stoves, ranges, space heaters and add-on furnaces using solid fuels and allied chimneys, and
13.5.3. substantial completion of interior finishes

14. REGISTERED CODE AGENCIES

14.1. The Chief Building Official is authorized to enter into and sign contracts for service agreements with Registered Code Agencies and appoint them to perform specified functions from time to time in order to maintain the time periods prescribed in Article 1.3.1.3. of Division C of the Building Code.
14.2. A registered code agency may be appointed to perform one or more of the specified functions described in Section 15.15 of the Act.

15. FENCING OF CONSTRUCTION AND DEMOLITION SITES

15.1. Where, in the opinion of the Chief Building Official, a construction or demolition site presents a hazard to the public, the Chief Building Official may require the permit holder to erect such fencing to the standards and specifications that the Chief Building Official deems to be appropriate to the circumstance.

15.2. When determining if a construction or demolition site presents a hazard to the public and requires the erection of fencing and the type of fencing required, the Chief Building Official shall have regard to:

15.2.1. the proximity of the construction site to occupied dwellings;
15.2.2. the proximity of the construction site to lands accessible to the public, including but not limited to streets, parks, and commercial and institutional activities;
15.2.3. the hazards presented by the construction activities and materials;
15.2.4. the feasibility and effectiveness of site fencing; and
15.2.5. the duration of the hazard.

15.3. Every fence required by this part shall:

15.3.1. be erected so as to fully enclose all areas of the site which present a hazard;
15.3.2. create a continuous barrier and be sufficient to deter unauthorized entry;
15.3.3. if erected on a residential site between an excavation on the site and the public sidewalk or lane that is within 3.0 metres of the excavation, have a height not less than 1.2 metres above the grade outside the enclosed area;
15.3.4. if erected on any other residential site, have a height not less than 1.2 metres above the grade outside the enclosed area;
15.3.5. if erected on any other construction or demolition site, have a height not less than 1.8 metres above the grade outside the enclosed area;
15.3.6. if constructed of plastic mesh, snow fencing or other similar materials, be securely fastened at 200mm on centre to vertical posts not more than 1.8 metres apart, and to horizontal members or a minimum 11 gauge cable at the top and bottom;
15.3.7. the fence may be constructed of other materials if the fence can be shown to provide a measure of performance and safety satisfactory to the Chief Building Official; and
15.3.8. be maintained in a vertical plane and in good repair.

15.4. When the Chief Building Official is of the opinion that fencing is required, the permit holder shall, prior to the commencement of any construction, demolition, or placement of materials or equipment on site, erect or cause to be erected fencing to the standards required by the Chief Building Official to enclose the construction or demolition site for the purpose of preventing unauthorized entry on the site. For the purposes of this part; construction or demolition site shall include the area of the proposed construction or demolition and any area where materials or equipment are stored or operated.

16. OFFENCES AND PENALTIES

16.1. Any person who contravenes any provision of this By-law is guilty of an offence and is liable upon conviction to a fine as provided for in the Act.

17. SEVERABILITY
17.1. Should any part, section, subsection, clause or provision of this By-law be declared by a court of competent jurisdiction to be invalid, the same shall not affect the validity of this By-law as a whole or any part thereof, other than the part so declared to be invalid.

18. MISCELLANEOUS

18.1. Schedules “A” and “B” shall form part of this By-law.

18.2. A reference to the singular or to the masculine shall be deemed to refer to the plural or feminine as the context may require.

19. REPEAL AND TRANSITION

19.1. By-law Number 37-2018, is hereby repealed upon the date that this By-law comes into force.

19.2. Notwithstanding Sections 19.1 and 20.1 of this By-law, for any complete application received prior to the effective date of this by-law, the provisions of By-law Number 37-2018 shall remain in force and effect for the purpose of that application.

20. EFFECTIVE DATE

20.1. This By-law shall come into force on the 21 day of May 2019.
1. **CALCULATION OF PERMIT FEES**

1.1. Permit fees shall be calculated using:

1.1.1. the flat rate where indicated in the Tables of this Schedule;

1.1.2. the product of the applicable fee multiplier in Column 3 of Table 2 of this Schedule and the related floor area or other measure specified in Column 2, or

1.1.3. where a fee is not listed, a fee shall be paid in the amount of $15 for each $1000 or part thereof of the construction value prescribed by the Chief Building Official.

1.2. Except for classes of permits subject to flat rates, fees shall be based on the appropriate measure of the floor area of the project.

1.3. For any permit application for a class of permit described under Section B of Table 2, floor area used for the calculation of fees shall be the lesser of:

1.3.1. the area contained within a single rectangle encompassing all of the proposed work, or

1.3.2. the actual area of the tenant space.

1.4. When calculating fees based on floor areas, floor area is measured to the outer face of exterior walls and to the centerline of party walls or demising walls, except when calculating interior partition work. When measuring floor areas for interior partitioning, corridors, lobbies, washrooms, lounges, and other similar facilities are to be included and classified according to the major occupancy classification for the floor area with which they are associated. Where these areas are constructed in a shell-only building, fees shall be calculated at the applicable partitioned rate in Table 2.

1.5. When measuring floor area, no deduction shall be allowed for floor openings required for facilities as stairs, elevators, escalators, shafts and ducts. Interconnected floor spaces and atriums above their lowest level may be deducted from measured floor area.

1.6. Where incorporated with an application for a class of dwelling described in row 4 of Table 2, no additional fee is required for decks less than 4.5 m², fireplaces, unfinished basements, attached garages, heating or plumbing systems.

1.7. Where incorporated with an application for a class of permit described under Section A and B of Table 2, no additional fee shall be levied for mechanical, fire protection or green technology systems that form part of the work proposed under the application.

1.8. The occupancy classifications used in this By-law are based on the Building Code major occupancy classifications. For mixed occupancy classifications, the total payable fee shall be calculated by applying the fee multiplier for each occupancy prescribed in Table 1 to the floor area measured for each individual occupancy and taking the sum of the fees calculated for each occupancy.

1.9. Where an independent third party review is required, the Town may require that all or part of the associated costs be added to the building permit fee and be collected prior to issuance of a building permit.

1.10. Where a change of use permit is denied, the fees paid may be credited to an alteration permit which incorporates the construction required to accommodate the change of use.

1.11. Notwithstanding anything to the contrary in this By-law, construction or alteration of all buildings and structures on lands owned by the Corporation is funded, in part or in whole, by the Corporation shall not be subject to permit fees.
