

PURPOSE OF DEVELOPMENT CHARGES

The general purpose for which Development Charges are imposed by the Town is to assist in providing the infrastructure required by future development in the municipality by establishing a viable capital funding source to meet the Town's financial requirements.

Council of The Corporation of The Town of Ajax passed Development Charge By-law No. 50-2018 on July 9, 2018 under subsection 2(1) of the *Development Charges Act, 1997*, which applies to all lands in the Town of Ajax that are developed for residential and non-residential uses. The previous By-Law 81-2013 was set to expire on September 8, 2018.

The Town's development charges are set out below, for both residential and non-residential development, and are effective July 16, 2018, subject to the transitional rules as per By-Law 50-2018 sec 2(4).

PAYMENT

Charges for residential and non-residential development are payable in full on the date that the first building permit is issued for a building or structure on land to which a development charge applies. Charges are calculated and payable at the rate in effect when payment is due.

INDEXING

All Town of Ajax residential and non-residential development charges will be indexed on July 1st of each year, commencing on July 1st, 2019, in accordance with the Prescribed Index set out in the *Development Charges Act, 1997, Ontario Regulation 82-98 section 7*.

EXEMPTIONS

A number of exemptions are legislated under the *Development Charges Act, 1997*; for example, schools and industrial expansion exemptions. Further, the Town will provide a redevelopment credit for certain demolitions and exemptions to assist with affordable housing initiatives. Reference should be made to the Town's development charge by-law concerning these exemptions.

There are also two specific areas within the Town where special exemptions pertain. The areas include the Downtown Community Improvement Project Area as outlined in schedule C of the by-law and the Pickering Village Community Improvement Project Area as outlined in schedule D of the by-law.

SERVICES INCLUDED

The services for which the development charges are imposed in Ajax are as follows:

- Development related capital growth studies
- Fire stations, vehicles and equipment
- Transportation, including roads, structures, sidewalks, streetlights, traffic signals, multi-use trails, and operations facilities, vehicles, and equipment providing services related to a highway
- Parks and Recreation, including parkland and recreational trail development, recreation facilities, and operations facilities, vehicles, and equipment providing services thereto
- Libraries including furniture, shelving, equipment and items related thereto and including materials acquired for circulation, reference or information purposes by a library board.

STATEMENT OF TREASURER

The purpose of the annual Statement of the Treasurer is to document the continuity of each Development Charge Reserve Fund, including services covered, development charge collections, interest earnings, funding transfers, borrowing and landowner credits.

The Treasurer's annual statement may be reviewed by the public in the Finance Department during regular business hours.
