

LODGING HOUSE LICENCE APPLICATION

By-law Services 905-619-2529 ext. 3370
BylawServices@ajax.ca

Issuance of a Lodging House licence will not occur until the applicant has provided all required attachments and the application has been approved by the Town's Planning, By-law and Building Services Section for adherence to the Lodging House By-law, the Zoning By-law and all relevant Legislation.

It is the applicant's responsibility to contact Ajax Fire and Emergency Services to request an inspection of the Lodging House. The applicant is responsible to pay the Fire Services inspection fee.

A licence will not be issued until a favorable fire inspection has occurred.

Instructions for required floor plan drawing

- each level of the house must be represented and the drawing must be done to scale or with appropriate proportions
- each room must be identified with the room's use and its perimeter measurements (including the units of the measure – i.e. metres vs feet) Furnace rooms, porches, garages etc. are required to be represented and labeled.
- include the location of all doors and windows including dimensions (horizontal and vertical)
- flights of stairs need to be included
- the location of the accessible telephone must be identified
- indicate the number of occupants of each lodging unit
- include the location of the refrigerator, stove and sink in the kitchen
- include the dimensions of the garage
- include the location of all fire safety equipment, including all smoke alarms, fire extinguishers, carbon monoxide detectors, sprinklers, etc.

Instructions for required site plan drawing

- an illustration representing the property is required – this must include the width and depth of the lot and the location of the house and any other buildings, structures, etc. on the lot
- include the measurements of the driveway and all parking areas (ensure the Municipal boulevard is not included in the measurements of the driveway). The front lot line of your property does not extend to the travelled portion of the road – consult your property survey for exact dimensions of your property.
- include the location that is to be used as a garbage storage area
- include the location and use of any other buildings on the property
