

COVID-19 Response Framework: Keeping Ontario Safe and Open

Control - Red Zone (Stringent Measures)

General Rules

- Requirement for all businesses, places, facilities or establishments to prepare and make available a [safety plan](#).
- Requirement for mask/face coverings in indoor public spaces, subject to limited exemptions.
- Requirement for mask/face coverings at indoor workplaces, subject to limited exemptions.
- Screening of patrons is required, in accordance with instructions issued by the Office of the Chief Medical Officer of Health (active screening is required for employees and essential visitors).
- Where individuals without mask/face coverings are within 2 m of workers, workers must use personal protective equipment such as eye protection and medical/procedure masks.
- Advice to restrict non-essential travel between different public health measure zones.
- Trips outside of the home should only be for essential reasons (work, school, groceries/pharmacy, health care, assisting vulnerable individuals, or exercise and physical activity).
- Families should refrain from visiting any other household or have visitors in their home.
- Everyone should refrain from social gatherings.
- Work remotely, where possible.

Organized Public Events, Social Gatherings, and Religious Services, Rites and Ceremonies

- Gathering limits for all organized public events and social gatherings: 5 people indoors and 25 people outdoors, including private dwellings.
- Gathering limit for religious services, wedding ceremonies and funeral services: 30% capacity indoors and 100 people outdoors.
