

# SUMMER SAFETY

## WITH AJAX FIRE

# Activity Sheet

**Live Online Event! | August 19 | 11 a.m.**

Watch and participate on [facebook.com/myajax](https://facebook.com/myajax) or [ajax.ca/livestream](https://ajax.ca/livestream)

Follow along with Sparky for pop-up clues to help fill in the blanks for a chance to win!

### CLUES!

1. True or False: Kids and pets should stay at least 1 metre away from barbecues. \_\_\_\_\_
2. Name one way to maintain your barbecue: \_\_\_\_\_
3. True or False: You can see and smell carbon monoxide. \_\_\_\_\_
4. How often should you test your smoke and carbon monoxide alarms? \_\_\_\_\_
5. Name a safety equipment item needed on a boat: \_\_\_\_\_
6. True or False: You don't need to test the depth of bodies of water before jumping into them. \_\_\_\_\_
7. What colour PFD did Sparky try on? \_\_\_\_\_
8. At what age do you need to replace all smoke alarms (even the hardwired electric alarms)? \_\_\_\_\_

Activity sheet entries can be submitted via email to [firesafety@ajax.ca](mailto:firesafety@ajax.ca).  
Submissions accepted until August 26!
