Ajax Shining Star Bursary (ASSB) Program

About

An initiative of the Office of the Mayor, on behalf of Ajax Council, the Ajax Shining Star Bursary (ASSB) Program supports the academic futures of underrepresented youth in the Town of Ajax. Bursaries are awarded based on proven financial need and to people who identify as an underrepresented youth – Black, Indigenous, Person of Colour, Person who identifies with an underrepresented group, have a self-identified disability, or are part of the LGBTQ2S+ community.

The \$10,000 ASSB program is designed to provide two students from each of the Town's five high schools with a \$1,000 Ajax Shining Star Bursary to pursue higher education at the college or university level or an accredited trades/apprenticeship program. Bursaries are meant to supplement, not replace, provincial government aid programs and a student's own resources.

The Town of Ajax supports and promotes the value of having a diverse population and understands the varying socio-economic needs of our underrepresented populations. This bursary program endeavors to ensure youth get the opportunity to kick-start their academic journey with financial assistance in order to be given positive access to the education system. The Town of Ajax is proud of the youth in our community who continuously prove to have brilliant thoughts, innovative ideas and perspectives, making the future of our industries one that is optimistic, diverse and inclusive. The Town will also be following up with each recipient on an annual basis for updates on their professional and academic endeavours as shining stars in our community. Town of Ajax is looking forward to awarding ten shining stars annually.
