### 1. Background

The Town of Ajax Committee of Adjustment has five (5) members appointed by the Council of the Town of Ajax. The Committee of Adjustment derives its jurisdiction and authority from the *Planning Act*, R.S.O. 1990, c. P.13, as amended (the “*Planning Act*”).

#### **Enabling Legislation: The *Planning Act***

Section 44 of the *Planning Act* (Minor Variances): The Council of a municipality may, by by-law, constitute and appoint a Committee of Adjustment.

Section 54 of the *Planning Act* (Consents): The Council of an upper-tier municipality (i.e. Region of Durham) may, by by-law, delegate to the Council of a lower-tier municipality (i.e. Town of Ajax), the authority for the giving of consents under Section 53 of the *Planning Act* in respect of land located in the lower-tier municipality. Where authority is delegated to a Council of a lower-tier municipality, such Council may, by by-law, delegate the authority or any part of such authority to a Committee of Adjustment.

The Region of Durham has delegated to the Council of the Town of Ajax the authority for the giving of consents under Section 53 of the *Planning Act* and in turn, Council has delegated the authority for the giving of consents to the Committee of Adjustment.

### 2. Mandate

The Committee of Adjustment (the “Committee”) is responsible for considering applications which seek to authorize the following:

- minor variances from the provisions of the Town of Ajax Zoning By-law 95-2003, as amended, (the “Zoning By-law”) to any land, building or structure;
- extensions, enlargements or variations of the legal non-conforming use of any land, building or structure;
- permit the use of any land, building or structure for any purpose that, in the opinion of the Committee, conforms with the provisions of the Zoning By-law, where the uses of land, buildings or structures permitted in the Zoning By-law are defined in general terms;
- consent to sever land (i.e. severing a new lot from an existing lot);
- consent to alter the existing boundaries of a property (i.e. add land to an existing lot/lot line adjustments);
- consent to register rights-of-way and easements over land;
- consent to sell, mortgage, charge or enter into any agreement for more than 21 years for a portion of a property; and
- validation of land title when there has been an error in the description of land.

When considering minor variances, the Committee must ensure that the general intent and purpose of both the Town of Ajax Official Plan and Zoning By-law are maintained, and that a proposal is desirable for the appropriate development and/or use of the subject land, building or structure. In addition, it must be demonstrated that the variance is minor in nature.
