

Construction Notice

Forest Ridge Park Trail

Expected completion: October 6, 2023

What to expect

the park entrance at Hester Avenue will be under construction starting September 18, 2023. The Town will be constructing two new asphalt pathways near the playground and tennis court area. Additionally, repair work will be carried out on the existing pathway along the northern side of the baseball field.

The area will be fenced during construction for your protection and safety. Please remain outside of the fenced area until the construction has been completed. The work is anticipated to be completed by October 6, 2023 (weather dependent).
